

WE ARE TOMO RRROW.

We are a new community.

We are the new city.

WE ARE

SARJAPUR

A new era of design,
smart & convertible homes
built for the future.

THE FUTURE IS

ONE

Envisioning a circular future, and deeply inspired by the ideology of Vasudhaiva Kutumbakam, translated to mean the world is one family, the idea of Aiihya Village took shape.

CIRCULAR BY NATURE

Aiikya Village combines circular living concepts, thoughtful design, and holistic environments that benefit one and all.

Every home is a tribute to this belief that the world is one family, and is defined by sustainability, frugality and flexibility to the highest standards.

Welcome to the Aiikya way of life.

NEW ERA CONVERTIBLE HOMES.

Aiikya Village reduces collective energy use by enabling connected community living. You will come home to a futuristic home with space-saving furniture,

defined by more common spaces for true holistic living. Aiikya village helps lower individual consumption, ultimately, helping you save.

MOST DEFINITELY, BANGALORE'S ONLY EARTH-CONSCIOUS URBAN VILLAGE.

Community-centric thoughtful spaces

Health-centric circular design

Child-centric holistic planning

TRANSFORM HOW YOU SAVE

Enjoy the luxury of smart, convertible furniture and a futuristic home. Meaning no more wasting time on unnecessary wasteful purchases. Every apartment in Aikya Village is designed to deliver a transformative life.

LOWER YOUR
CARBON
FOOTPRINT.

LOWER
ENERGY
USE.

LOWER
CLIMATE
IMPACT.

LOWER
BILLS.

Whether it's the construction technology or how the services and amenities are planned, giving back to the earth when you live at Aikya Village is something that comes naturally.

A DUPLEX THAT STANDS

Your duplex home will be 80% bigger than a regular apartment with double height living for optimum day lighting throughout the house

First-of-its-kind parametrically designed staircase in an Indian apartment. This optimizes space, material, keeping the space airy. It also makes for a great play of light.
